

Herarts of hope

Design: Anne Bruvold

This pattern is made in remembrance of the victims of the bombing in Oslo and the massacre at Utøya, July 22nd 2011. The pattern is the "sister" of *Heart Hair Decoration* by Rosemarie Peel (<http://www.ringoftatters.org.uk/seasonal/valentine/hairdec.html>)

You need

Two shuttles and a thread of choice.

The chains are joined to the ring by Catherine Wheel Joins (CWJ). Here is a video showing how to do that: <http://www.youtube.com/watch?v=EMmcLLTXcVI>.

Symbols

R	ring
C	chain
Numbers	number of double stitches (dst)
p	picot
3-3	3 dst, picot, 3 dst
&	twisted picot made by adding to the twist of the thread before making the picot
SLT	Shoe Lace Trick
CTM	Continuous Thread Method, pull some thread off the first shuttle and wind it to the second

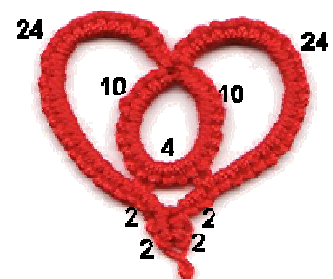

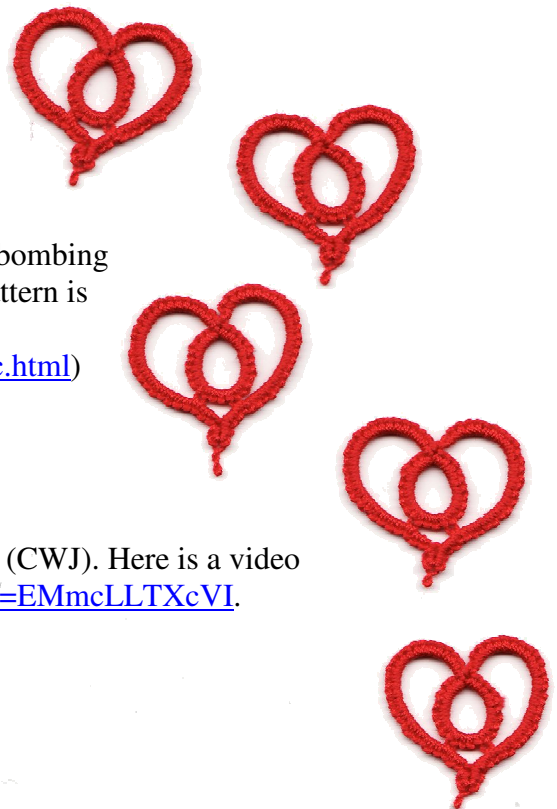

Pattern

Reduce the number of thread ends by using CTM
If you are doing right/wrong side tatting, start from the behind

R: 10-4-10.	Note: small picots
C: -24+2	Note: small picot and join by CWJ
SLT	This helps making the point more pointy
R: 2&2.	Try making only one "twist" on the picot
SLT	
C: 2+24.	Remember: CWJ

Make sure the second chain is about the same size as the first before cutting the threads, pull one of them through the tiny picot at the start of the first chain, tying and hiding the ends.

The hearts can also be done using two colours

77 Hearts

77 hearts to remember those who were killed July 22nd 2011
